

Esmerelda

Mellowdrone

It seem you lack sufficient evidence
You never know what be the consequence

I wonder why they were looking about
Too many words now you can never shout
As to indicate to where we are now

I don't know much about that much, I know
and what's the deal with this loving love?
Oh God now what if you know?

Keep an eye out, Esmerelda
You are the one they've been looking for

They will hunt you down, let me tell ya
Oh
They're in love
They're in love
They're in love

Keep an eye out for Esmerelda
She is the one we've been looking for

She has it figured out, let me tell ya
Oh
I'm in love
I'm in love
I'm in love

Now here's the chance to tell 'em everything
Now here's the chance to let that freedom ring

That yellow light don't mean nothing to me
Get out the way of lady's melody

I wandered down [?]an hour and fifty or two[?]
Down on Kensington, I'll see you at your funeral

Will no one know the wondered taste of hope?
Oh God now what have I done?

Keep an eye out, Esmerelda
You are the one they've been looking for

They will hunt you down, let me tell ya
Oh
They're in love
They're in love
They're in love

Keep an eye out for Esmerelda
She is the one we've been looking for

She has it figured out, let me tell ya
Oh
I'm in love
I'm in love

I'm in love

Oh

I'm in love

I'm in love

I'm in love

Oh

I'm in love

I'm in love

I'm in love

Oh

I'm in love

I'm in love

I'm in love

Oh

I'm in love

I'm in love

I'm in love

Oh

I'm in love

I'm in love

I'm in love
