

# Let's Kill The Clockwork

Melody Club

I want to fall into your arms,  
If we just stayed together, forever and ever.  
I want to feel you touch my skin,  
I want to hear you gently breathe in,  
I'm dreaming, softly dreaming.

Let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah.

Let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah.

So everything will be alright,  
If you would only feel me, I'm waiting, believe me.  
I want to feel you touch my skin,  
I want to hear you gently breathe in,  
I'm dreaming, softly dreaming.

Let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah.

Let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah.

So let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah.

Let's kill the clockwork,  
We're leaving it all,  
Oh yeah, oh yeah,

Oh yeah, oh yeah,  
Oh yeah, oh yeah,  
Oh yeah, oh yeah,  
Oh yeah, oh yeah.
