

## Love Drive

Melody Club

it's everywhere you go, it's everywhere  
don't you know  
everytime you smile, i die for a while  
don't you know  
i'm walking on air, whenever you're near  
don't you know

i look into your eyes, you give me blue skies  
don't you know  
don't you stop now honey  
don't you know i'll never let you down  
don't you quit now honey  
don't you know i'll never let you down

are we ever going to make it?
