

# The Only Ones

Melody Club

There ain't no place  
that I would rather be  
When the world is turning  
Baby, we're burning

Than in this motion picture  
Starring you and me  
When the world is turning  
Baby, we're burning

We don't need nobody  
To tell us how to be  
We're the only ones

No, we don't need nobody  
It's always you and me  
We're the only ones

They've been against us  
Since the day we met  
When the world is turning  
Baby, we're burning

They call us crazy  
But they've ain't seen nothing yet  
When the world is turning  
Baby, we're burning

We don't need nobody  
To tell us how to be  
We're the only ones

No, we don't need nobody  
It's always you and me  
We're the only ones

My friends keep telling me  
I must be out of my mind  
But it's just the way you making me feel  
And I just can't resist you  
When you give me that smile  
No I can't change the way that I feel  
That I feel..  
Don't you know that, baby  
Woohoooo

There ain't nobody  
I would rather be  
When the world is turning  
Baby, we're burning

No matter what they say  
You're everything to me  
When the world is turning  
Baby, I'm burning

We don't need nobody

To tell us how to be  
We're the only ones

No, we don't need nobody  
It's always you and me  
We're the only ones

When the rain is coming  
And days are gettin' grey  
We lean against each other  
Until it blows away

We don't need nobody  
To tell us how to be  
We're the only ones

We don't need nobody  
To tell us how to be  
We're the only ones
