You looked so tired
But when I said to you, let's go
It brought us to an unfamiliar journey

The view before us
Has no pain whatsoever
So it was good enough to place my hearts
That were tired from this and that

Sometimes, I think it's nice to get away
It's nice to let go of our hearts
Then even when we have to go back
We can smile

When the breeze blows over
I see you smiling
So I thought a spontaneous trip like this
Isn't so bad

The view before us
Has so much joy that we can draw out
So it let us leave our hearts
That were tired from this and that

Sometimes, I think it's nice to get away
It's nice to let go of our hearts
Then even when we have to go back
We can smile

All the things that made us dark
Let's push it back for a moment

Sometimes, I think it's nice to get away
It's nice to let go of our hearts

Then even when we have to go back
We can smile

Sometimes, I think it's nice to rest
I think we can search for happiness
Then even when we have to go back
We can smile
