

1 Fuck You

Melvins

You're breaking my heart
You tear it apart
So fuck you
You're kicking my ass
You're breaking my bass
So fuck you

What will you do
Run down the tracks
So fuck you

I'm going insane
There's no one to blame
So fuck you
You're kicking my ass
You're breaking my bass
So fuck you

You won't drive my car
Might be a star
So fuck you

What will you do
Run down the tracks
So fuck you

I'm going insane
There's no one to blame
So fuck you
You're kicking my ass
You're breaking my bass
So fuck you

You won't drive my car
Might be a star
So fuck you

[illegible]
