

Adolescent Wet Dream

Melvins

Ha, adolescent wet dream
This is a tune form Pussy Galore
Set it up, pussy blame
Like a sinner shelter move in now

Stay at home
Won't you shut up, yeah
Every frequent mammal, oh, sins around
And bashes it out, it's like a bah

I'm not a saint
Like a sinner shelter swing it on now
From now honesty got to say
Oh, you gonna mess it up
Who never gonna fuck it up, yeah
What the hell were you thinking of?
