

Flaming Creature

Melvins

It's clear that they don't live long, eating up adrenaline
Or not at all

They can rewrite what they're seeing
Together they can tear apart
Or not at all

Specialize in what they're making
I don't want to see a thing
Or relaxing

Rewrite seeing what they're making
Together we can waste a lot
Or not
Specialize in what they're making
We can take it door to door
Or not at all

It's clear that they don't live long, heating up adrenaline
Or not at all

They can rewrite what they're seeing
Together they can tear apart
Or not at all

Every night is the king of the zombie
You might come close, but it's not quite clear
Oh, oh
