

Hot Fish

Melvins

Hot fish
Hot fish
Hot fish
Hot fish now

Hot fish in general
Hot fish indeed
Hot fish for breakfast
It smells too good to eat
She's looking and pointless
She looks so proud
She looks ridiculous
She looked when she was screaming

Hot fish
Hot fish
Hot fish
Hot fish now

There were complication
That were getting round
I went to the market
Look what I found
I saw the dark door
I walk the stream
I went to the dealer
They all looked at me and said

Hot fish
Hot fish
Hot fish
Hot fish now

Hot fish complaining
Hot fish for you
Hot fish companion
Hot fish is all we do
Sing all together
Sing like you're mine
Sing 'cause you mean it baby
Sing loud and say he's singing

Hot fish
Hot fish
Hot fish
Hot fish now
