

## If You Get Bored

Melvins

I don't want to be here  
I see things that aren't real  
In my head with real lies  
I feel so invisible

Well, Jesus Christ  
I feel, so damn tired  
Well, they don't care  
If you get

I don't want to be here  
I see things that aren't real  
In my head with real lies  
I feel so invisible

Well, Jesus Christ  
I feel, so damn tired  
Well, they don't care  
If you get bored

If you get bored  
Well, if you get bored  
Well, if you get bored

Well, Jesus Christ  
I feel, so damn tired  
Well, they don't care  
Well, if you get

Well, Jesus Christ  
I feel, so damn tired  
Well, they don't care  
Well, if you get bored
