## **Jew Boy Flower Head**

Liar Lies on and anyway Leader He cannot forget The world needs now And anyway I hate it Leave it on the floor The seer Lies on and anyway Maybe Attach it to the wall The world needs now And anyway the crosses It's later than you think We all need An old and all Lately He cannot forget Holding out And everywhere I seen it And we can all belong The wheel Sized up and everything And feeling Back against the wall The world is now A motor, yeah The native We are not alone
