

## Lovely Butterfly

Melvins

Nasty nature done for meat  
Have you cut with all three knives?  
Sing light for empty suite  
The lovely butterfly

Have you ever only eaten what's alive?  
Cut the thing for meat  
Skin cooker for the hide  
Cooked on the inside

I got a belly full of prime  
Crawling through my intestine  
Gristle-thick pork chop rot tan  
The lovely butterflys
