

Pig House

Melvins

Don't move
I can see that you want to get away
Until you think clear
Aim high
I can move it to give it another day
Still the siren

Don't move
I can see that you're wanting to get away
Until you you think clear
Aim high
I can move it to give another day
Still a siren

We started
But now we're ready
We started
But now we're ready
We started
But now we're ready
We started
But now we're ready

Ooo
Ah oo ah oo ah ooo
