

Shit Storm

Melvins

Shit
Storm
Brown
Rain

Building up in side
Never close your eyes
Welcome to my hole
Welcome to my shit storm
Anus Up On high
Demons gonna cry
Be prepared to die
Try to give a shit storm

Shit
Storm
Brown

Hades is on fire
The Devil is a liar
I'm going to explode
Blow the motherload
I am the Lord of the Brown Rain
I am the Master of Anal Pain
I will take what's rightfully mine
Brown will be poured from your break up to your spine

There's nothing to prove
Children better move
Get into the groove
Time to face the shit storm
Satan's gonna pay
Fuckin every day
I will pave the way
With the shower of shit storm

Shit
Storm
Brown
Rain

Forces will combine
In my instestine
Showering Satan's army
With a shit tsunami
