

## Sway

Melvins

Did you ever wake up to find  
A day that broke up your mind?  
Destroyed your notion of circular time?

It's just that demon life has got you in its sway  
It's just that demon life has got you in its sway

Ain't flinging tears out on the dusty ground  
For my friends out on the burial ground  
Can't stand the feeling getting so brought down

It's just that evil life that got you in its sway  
It's just that evil life that got you in its sway

There must be ways to find out  
Love is the way they say is really strutting out

Hey, hey, hey now  
One day I woke up to find  
Right in the bed next to mine  
Someone that broke me up with a corner of her smile, yeah

It's just that demon life that got me in its sway  
It's just that demon life that got me in its sway

Hey, hey now
