

Sweet Young Thing Ain't Sweet No More

Melvins

Sweet young thing ain't sweet no more
Sweet young thing ain't sweet no more
Mamma found her draped over the toilet bowl

Oh

Mamma said "Child, what you done?"
Mamma said "Child, what you done?"
Wake up and greet the midday sun

Sweet young thing ain't sweet no more
Sweet young thing ain't sweet no more
Mamma's little pills spilt all over the floor

Oh

Mamma can't handle her on her own
Mamma can't handle her on her own
She said, "Just you wait till your father gets home"
Home...
