

# Blessing

Memphis Depay

Seems like everybody wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type of people that complain, ah  
Keep waiting for a blessing but forget to pray, ayeah  
They wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type people that complain, nah  
Waiting for a blessing but forget to pray, ayeah

I wake up and I look in the mirror  
How can I complain when I really come from zero tell me?  
Sometimes dressed like Shelby's  
Look at my checks they're healthy  
I know people mad wealthy they ain't even happy  
You want a roley and a chain  
You ain't got it so you hate  
I know you going through some pain  
That's why you gotta pray everyday on you're knees  
You be looking at the wrong places, God is what you need, amen

Seems like everybody wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type of people that complain, ah  
Keep waiting for a blessing but forget to pray, ayeah  
They wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type people that complain, nah  
Waiting for a blessing but forget to pray, ayeah

It seems like y'all don't really know what the goal is in life  
Score a lot of goals when my focus is right, yeah  
God is in control of my life so let go of my life, yeah  
I know that it's difficult leaning on your own understanding got you fucked up  
Imma keep praying for my brother he still locked up  
But one day he'll be free like Genie out the bottle  
I see you popping bottles champagne with the models  
I will never judge shit everybody done it  
Done it like a hunnit times people lost their minds about some lights  
50 bottles ace like I own the rights  
You see all that ice dancing in the night  
We don't worry bout the price  
I guess I was cut up in that life too  
I was told not everybody gon' like you  
That's alright, let them worry about what I do

Seems like everybody wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type of people that complain, ah  
Keep waiting for a blessing but forget to pray, ayeah  
They wishing for the same shit  
They want a roley and a chain, ayeah  
Y'all the type people that complain, nah  
Waiting for a blessing but forget to pray, ayeah
