

Stay The Course

Memphis May Fire

I am not a product of mistake, I've got a purpose and I'm living it out

This life of mine is no coincidence

I've seen the world and I will never bow down

So bring your temptation to the table, but I'm not giving in
(Never giving in)

Tell me I'm wrong because I'm different, but I'm not giving in
(Never giving in)

Time spent waiting for truth to come out of a lie

Is time that's wasted, so waste away but you're not wasting mine

I am not a product of mistake.

I've got a purpose & I'm living it out

This life of mine is no coincidence.

I've seen the world & I will never bow down

Never bow down, never bow down

I might walk this road alone, but I know that it's taking me home

I know that you're bringing me back where I belong

When everyone tells me that I am wrong

I'll stay strong because I'm on my way home

I have seen, I've heard, I've felt your unfailing love & I'll never be the same

Nothing can break me

No weapon formed against me shall prosper.

This is a war you've already won.

So no matter what comes my way, I'll stay the course

I might walk this road alone, but I know that it's taking me home.

I know you're bringing me back, bringing me back where I belong.

When every voice I hear is saying I'm wrong

I stay strong because I'm on my way home

On my way home

On my way home

On my way home

I'm on my way!

I spend my days living for what is to come

No evil can stand in my way because you've already won

You've already won!

I might walk this road alone

I might walk this road alone, but I know that it's taking me home

I know that you're bringing me back where I belong

When every voice I hear is saying I'm wrong

I stay strong because I'm on my way home

I'm on my way home
