

# Without Walls

Memphis May Fire

This is who we are! These are the roads we paved, the strength we found &  
The mistakes we made along the way.  
This is who we are! These are the roads we paved, the strength we found &  
The mistakes we made along the way.  
This is who we are! These are the roads we paved, the strength we found &  
The mistakes we made along the way. This is who we are! These are the roads  
We paved and now I've had enough of your judgement.  
You pass it so easily. If you think that I take it to heart now  
you see  
This is my design.  
You don't know the cost. So I'll keep my faith & you can stay lost. Who is  
With me! ?  
We have the strength to she'd light. And this is the moment suspended in  
Time.  
No limits, no boundaries at all.  
Just when you think we conform to a scene we break down the wall!
