Can I Do It for You?

Memphis Minnie

I'll buy your wood and coal, buy your wood and coal
Buy your wood and coal, if I can do something to you
Hear me saying, I want to do something to you

I don't want no wood and coal, I don't want no wood and coal
I don't want nothing in the world you got and you can't do nothing fo
r me
Hear me saying, you can't do nothing for me

Buy your shoes and clothes, buy your shoes and clothes
Buy your shoes and clothes, if I can do something to you
Hear me saying, I want to do something to you

I don't want no shoes and clothes, I don't want no shoes and clothes
I don't want nothing in the world you got, and can't do nothing for m
e
Hear me saying, you can't do nothing for me

I'll buy you a Chevrolet, I'll buy you a Chevrolet
Buy you a Chevrolet, if I can do something to you
Hear me saying, I want to do something to you

I don't want no Chevrolet, I don't want no Chevrolet
I don't want nothing in the world you got, and you can't do nothing f
or me
Hear me saying, you can't do nothing for me

Buy you a baby calf, buy you a baby calf
Buy you a baby calf if I can do something to you
Hear me saying, if I can do something to you

I don't want no baby calf, I don't want no baby calf
I don't want nothing in the world you got, and you can't do nothing f
or me
Hear me saying, you can't do nothing for me

Can I do something to you, can I do something to you?
Do anything in this world I can, if I can do something to you
Hear me saying, if! can do something to you

Naw, you can't do nothing to me, naw, you can't do nothing to me
I don't care what in the world you do, you can't do nothing to me
Hear me saying, you can't do something to me

Buy you a sedan Ford, buy you a sedan Ford
Buy you a sedan Ford, if I can do something to you
Hear me saying, if I can do something to you

I will take a sedan Ford, yes, I will take a sedan Ford
I don't want nothing in the world you got but I will take a sedan For
