

## When the Saints Go Marching Home

Memphis Minnie

When the saints go marching home  
Oh, when the saints go marching home  
Good Lord, I wants to be in that number  
Oh, when the saints go marching home

And when the sun refuse to shine  
And when the sun refuse to shine  
Oh Lord, I wants to be in that number  
Oh, when the sun refuse to shine

And when the moon run down in blood  
And when the moon run down in blood  
Oh Lord, I wants to be in that number  
When the moon drips away in blood

When the saints go marching home  
Oh, when the saints go marching home  
Lord, I wants to be in that number  
Oh, when the saints go marching home

Oh when the road is cold up yonder  
Oh when the road is cold up yonder  
Lord, I wants to be in that number  
When the road is cold up yonder

And when the saints go marching home  
When the saints go marching home  
Lord, I wants to be in that number  
When the saints go marching home

And when the saints go marching home  
When the saints go marching home  
Lord, I wants to be in that number  
When the saints go marching home
