

Numb (Album V)

Men I Trust

Hon, please forgive me if I ever did you wrong
I'll be your candle; burn me upside down
From now on, I won't sleep on my arms

Numb, is how I feel deep inside my soul
Need to feel that I am on the line
I'm sorry that I dragged you down my way

Hon, I never meant to cheat you out of time
In cold mornings when our sheets are warm
I see a flower with no needles on (so far)

Stung, and there's a bee that gave it all away
Pretty eyes now filled with pain
A young confusion, what a shame
