

## Porcelain

Men I Trust

Mumbling  
"Edelweiss"  
I couldn't catch  
Your eyes

"Mama,  
What went wrong?  
Forgot why I'm still here  
Silent calls"

You slowly bend over the table  
Our sleepless bodies tumbling down  
Still watching scenes from 1994  
I don't feel anything at all

Morning  
Red like wine  
Got me trapped under  
Venetian blinds

One more  
Piece of cake  
Round and round they go  
I'm porcelain

You slowly bend over the table  
Our sleepless bodies tumbling down  
Still watching scenes from 1994  
I don't feel anything at all
