

Rhythm of Youth

Men Without Hats

Things like explosions well they scare me half to death
But I'd still like to sit one right through
Nuclear warfare has got me holding my breath
But the army plan has to go through
With the rhythm of youth
Things like explosions well they scare me half to death
But I'd still like to sit one right through
Nuclear warfare has got me holding my breath
But the army plan has to go through
Somehow I do not feel safe around cars
But I still like the feeling of speed
The rhythm is all that I have for me now
The rhythm is all that I need
You've got your own commitments, your own complaints
Your own religion with it's own funny saints
Your own reaction, your own raves and reviews
With the rhythm of youth you've got nothing to lose
The rhythm of youth is the rhythm of life
And the rhythm of life is the rhythm of youth
The rhythm of youth is the rhythm of life
The rhythm of life is the rhythm of youth
The rhythm of youth
Things like explosions well they scare me half to death
But I'd still like to sit one right through
Nuclear warfare has got me holding my breath
But the army plan has to go through
Somehow I do not feel safe around cars
But I still like the feeling of speed
The rhythm is all that I have for me now
But the rhythm is all that I need
You've got your own commitments, your own complaints
Your own religion with it's own funny saints
Your own reaction, your own raves and reviews
With the rhythm of youth you've got nothing to lose
You've got your own commitments, your own complaints
Your own religion with it's own funny saints
Your own reaction, your own raves and reviews
With the rhythm of youth you have nothing to lose
Cause the rhythm of youth is the rhythm of life
The rhythm of life is the rhythm of youth
The rhythm of youth is the rhythm of life
And the rhythm of life is the rhythm of youth
The rhythm of youth is the rhythm of life
And the rhythm of life is the rhythm of youth
The rhythm of youth is the rhythm of life
The rhythm of life is the rhythm of youth
