

Today Tomorrow Yesterday

Men Without Hats

I can remember walking
Underneath the trees
Heading home one day
I couldn't have been more than ten years old
But I remember having said to myself
Some day I'll remember this
And make it all the same
Today, tomorrow, yesterday

I can remember walking
Underneath the trees
Heading home one day
I couldn't have been more than ten years old
But I remember having said to myself
Some day I'll remember this
And make it all the same
Today, tomorrow, yesterday

I don't know who's to blame
'Cause I believed in yesterday

I can remember walking
Underneath the trees
Heading home one day
