

Dance With You

Mental As Anything

Woah-oh, woah-oh
Woah-oh-oh
Woah-oh-oh-oh
Oh-oh oh oh-oh-oh

I check out the astronomy
The local physiognomy
You must have put a spell on me
It's true

Next to your anatomy
That's where I ache to be
Call it insanity
I'm goin' in

I got to get to dance with you
With you alone
Before your brothers take you home
Dance with you
Not your next-of-kin
Before your brothers do me in

I'm sorry if I get annoyed
It's something that I can't avoid
Your brothers get so paranoid
For you

How am I gonna get to you?
They're watching everything you do
I know they're looking out for you
But still

I got to get to dance with you
With you alone
Before your brothers take you home
Dance with you
Not your next-of-kin
Before your brothers do me in

You're so beautiful
They feel the need
To stop all the guys from tryna do the deed
You're so beautiful
I know you are
I'm not tryna drag you in the back of the car

That's all I wanna do
Get on the floor with you

You're so beautiful

Woah-oh, woah-oh
Woah-oh-oh
Woah-oh-oh-oh
Oh-oh oh oh-oh-oh

Your brothers might be lovely guys

But I don't see it in their eyes
That would be a big surprise
To me

How am I gonna get to you?
They're watching everything you do
I know they're looking out for you
But still

I got to get to dance with you
With you alone
Before your brothers take you home
Dance with you
Not your next-of-kin
Before your brothers do me in

You're so beautiful
They feel the need
To stop all the guys from tryna do the deed
You're so beautiful
I know you are
I'm not tryna drag you in the back of the car

'Cause you're beautiful
I want to dance with you alone
So unusual
Tell your brothers they can go on home
So damn sensual
I want to dance with you alone
You're so beautiful
Unusual
So sensual
Imma gonna take you home
