

I'm Glad

Mental As Anything

Happiness is right inside

I'm glad
You're here
Yes, I'm glad
You're here
With me
Like this
Today
Well, today
And everyday

It's good
Yes, it makes me
It makes me
Very happy
And with love you're just as glad
Just as glad as me

Today
And everyday
Happiness is right inside
Today
And everyday
Hey there!

Happiness is right inside
Today
And everyday

I'm glad
You're here
Yes, I'm glad
You're here

We've been settled on having fun
And I'm glad
And with luck it's just begun
I'm glad
We've been settled on having fun
Today
Today

I'm happy and lucky and glad that I'm with you

Happiness is right inside

Today I'm happy and lucky and glad that I'm with you
Yes, I'm glad
Today I'm happy and lucky and glad that I'm with you
I'm glad
Yes, I'm glad...
