

In the Sunshine

Mental As Anything

Sunshine down on me today
Had a rough night, but now I feel okay
Got my baby by my side
Float away on a sleepy, hazy tide

In the sunshine
Well, it's-a my day
I got no dues to pay
In the sunshine
I waste my time
I got nothing to say

If it sounds cute just blame the day
That's what's makin' it sound this way
I don't care, I can't even tell, yeah
But I know where I'm gonna stay

Sun is shinin' down on me today (Yeah)
Had a rough night, but now I feel okay (Yeah)
Got my baby by my side (Yeah)
Float away on a sleepy, hazy tide

In the sunshine
Well, it's-a my day
I got no dues to pay
And I don't care, I can't even tell, yeah
But I know that it's doin' well

Sun is shinin' down on me today (Yeah)
Had a rough night, but now I feel okay (Yeah)
Got my baby by my side (Yeah)
Float away on a sleepy, hazy tide

(Sunshine)
Sunshine
(Sunshine)
(Sunshine)
(Sunshine)
(Sunshine)
(Sunshine)
(Sunshine)
