

## Sheilah

Mental As Anything

Maybe she's a bit green  
If you know what I mean  
But she's a real scene-stealer  
My little three-wheeler

I noticed her one night  
She stood out in the crowd  
I'll see you again  
This is what I've vowed

Now I'm gonna see my Sheilah tonight  
I'm gonna see my Sheilah tonight  
I'm gonna see my Sheilah tonight

I handle her with care  
Just like a little peach  
Her oldies try to keep her  
Right out of reach

Maybe she's a bit green  
If you know what I mean  
But she's a real scene-stealer  
My little three-wheeler

And I'm gonna see my Sheilah tonight  
I'm gonna see my Sheilah tonight  
I'm gonna see my Sheilah tonight
