

Some Feelings

Mental As Anything

Some feelings just don't go away
Like the feeling I'm feeling today
They don't go away

You didn't tell me you had someone new
I didn't tell you I knew
(Can't shake this feeling)
It had to happen one day
(I won't be kneeling)
Just like my mother would say
"Nothing lasts forever"

Some feelings just don't go away
Like the feeling I'm feeling today
Don't try to tell me I'm wrong
We've been trying so long
We've been trying so long

You didn't tell me you had eyes for him
I didn't tell you I'd seen it
(Can't shake this feeling)

Had to happen one day
(I won't be kneeling)
Just like my mother would say
"Nothing lasts forever"

Some feelings just don't go away
Like the feeling I'm feeling today
Don't try to tell me I'm wrong
We've been trying so long
We've been trying so long

(Some feelings) Don't go away
(Feelings won't go away)
Like the feeling I'm feeling today
Don't go away
Don't go away
Oh, we've been trying so long
We've been trying
Don't tell me I'm wrong
Some feelings just don't go away
We've been trying so long
