

Stay at Home Girl

Mental As Anything

Stay at home girl
Get off the street and go to school
Be your own girl
And you will see
That it's not so hard to live alone
But it's not so easy to walk away

Stay at home girl
Don't burn your fingers on me
Be your own girl
And you will see
That it's not so hard to live alone
In a bullet-proof vest with a postbox and a phone

You can sting me with your eyes
But I promise it won't hurt at all
You can take me in your arms
But I promise I won't fall in love with you

Stay at home girl
Get off the street and go to school
Be your own girl
And you will see
That it's not so hard to live alone
But it's not so easy to walk away

You can sting me with your eyes
But I promise it won't hurt at all
You can take me in your arms
But I promise I won't fall in love with you
I won't fall in love
I won't fall in love with you

Stay at home girl, stay at home
Stay at home girl, stay at home
Stay at home girl, stay at home
Stay at home girl, stay at home

Stay at home
Stay at home
