

# Echo

Menudo

Oh man, feels like I'm losing control  
Forgot what it's like to rule my world  
She got me and she got me good  
I don't even wanna hang around my boys

I used to say I'm not that kinda guy  
I don't do love, don't waste my time  
But lately all that's on my mind  
Is when I'm back with her

With her, with her  
And everywhere I hear her words  
Every corner I seem to turn  
I can't hide from this love  
Oh oh, oh oh, keep taunting me wherever I go  
Oh oh, oh oh, filling up my heart and I can feel it  
Oh oh, oh oh, going round and round like an echo  
Echo, echo, echo, echo

Somehow, I keep lying to myself  
I say I can manage just right along  
Matter fact I am so damn scared  
Cause I think about where I belong

I never had this kind of feeling before  
I think I'm falling in love  
Cause lately all that's on my mind  
Is when I'm back with her

With her, with her  
And everywhere I hear her words  
Every corner I seem to turn  
I can't hide from this love  
Oh oh, oh oh, keep taunting me wherever I go  
Oh oh, oh oh, filling up my heart and I can feel it  
Oh oh, oh oh, going round and round like an echo  
Echo, echo, echo, echo

Round and round, everywhere, in my head, in the air  
Echooo, echooo  
Round and round, everywhere, in my head, in the air  
Echooo, echooo

(Menudo, echoo)

Can't hide from this love  
Oh oh, oh oh, keep taunting me wherever I go  
Oh oh, oh oh, filling up my heart and I can feel it  
Oh oh, oh oh, going round and round like an echo  
Echo, echo, echo, echo

I can't hide from this love  
Oh oh, oh oh, keep taunting me wherever I go  
Oh oh, oh oh, filling up my heart and I can feel it  
Oh oh, oh oh, going round and round like an echo  
Echo, echo, echo, echo
