

Just Because

Menudo

What he did to you, doesn't matter
put it in your past, cause you're with me
you seem insecure but you don't have to worry
'cause i got no plans to leave

i'm the missing piece that you've been wishin
would walk into your life & show you love
to make you feel complete, thats my mission
all you need is to open up

see baby girl..

just because he didn't treat you right,
just because make you cry,
i won't, no, i won't do the same thing.

just because he did you so wrong,
just because he left you alone,
i won't, no, i'm right where i wanna be

you & him are just a faded picture,
nothin' left but painful memories
look into my eyes, 'cause im the future
and its lookin right, for you and for me

im the sun, and you are the moon
i'd be nothin if i ain't got you
i'm the ocean and you're the beach
together, we make the perfect team

see baby girl..

just because he didn't treat you right,
just because make you cry,
i won't, no, i won't do the same thing.

just because he did you so wrong,
just because he left you alone,
i won't, no, i'm right where i wanna be

let him go, baby don't you know that
i won't, no, i won't do the same thing
i'm with you, baby don't you know that
i won't, no, i won't do the same thing

let him go, baby don't you know that
i won't, no, i won't do the same thing
i'm with you, baby don't you know that
i won't, no, i won't do the same thing

just because he didn't treat you right,
just because make you cry,
i won't, no, i won't do the same thing.

just because he did you so wrong,
just because he left you alone,
i won't, no, i'm right where i wanna be

just because he didn't treat you right,
just because make you cry,
i won't, no, i won't do the same thing.

just because he did you so wrong,
just because he left you alone,
i won't, no, i'm right where i wanna be
