

Parchman Farm

Mercury Rev

My man's over there on Parchman Farm
Sittin' there on Parchman Farm
My man's sittin' there on Parchman Farm
He ain't never done nobody no harm

Puttin' that cotton in eleven foot sack
Puttin' that cotton in eleven foot sack
He's puttin' that cotton in eleven foot sack
With a twelve gage shotgun at his back

He's sittin' over there on number nine
He's sittin' over there on number nine
Sittin' over there on number nine
And all he ever did was drink his wine

Well, he's gonna be there for the rest of his life
He's gonna be there for the rest of his life
Well, he's gonna be there for the rest of his life
And all he ever did was shoot his wife
