

## Sermon

Mercury Rev

Let me set the mood, set the situation  
Imagine that you're sittin' in a congregation  
Hey, he's talking 'bout Judgment Day  
Listen real close, hear what he say

You better run on for a long time  
Run on for a long time  
Run on for a long time  
But God Almighty's gonna cut you down

Gonna tell that long-tongued liar  
Gonna tell that midnight rider  
Tell the gambler, rambler, back-biter  
God Almighty's gonna cut him down

Great God almighty, let me tell you my need  
My head's been wet with the midnight deed  
I been down on bended knee  
Talkin' to the man from Galilee

My God spoke, spoke so sweet  
I thought I heard the shufflin' of angels' feet  
He put one hand on my head  
Great God Almighty, let me tell you what he said

You better run on for a long time  
Run on for a long time  
Run on for a long time  
God Almighty's gonna cut you down

Throw the rock, hide your hand  
Workin' in the dark against his fellow man  
But sure as God made the day and night  
What you do in the dark will be brought to light

You may run and hide, slip and slide  
Tryin' to take the mote from your neighbors eye  
But sure as the Lord may be rich and poor  
What you reap, my brother, is what you sow

You may run on for a long time  
Run on for a long time  
You may run on for a long time  
But God Almighty's gonna cut you down

Gonna tell that long-tongued liar  
Gonna tell that midnight rider  
Tell the gambler, rambler, back-biter  
God Almighty's gonna cut her down

Some people go to church just to signify  
They try to make a date with their neighbor's wife  
But let me tell you brother, just as sure as you're born  
Better leave that woman, better leave her alone

One of these days, mark my words  
You'll think that your brother's gone off to work

You'll walk up and knock on the door  
That's all brother, there ain't no more

You better run on for a long time  
Run on for a long time  
Run on for a long time  
God Almighty's gonna cut you down

Gonna tell that long-tongued liar  
Gonna tell that midnight rider  
Tell the gambler, rambler, back-biter  
God Almighty's gonna cut him down

Amen

You better run on for a long time  
Run on for a long time
