

Very Sleepy Rivers

Mercury Rev

I sensed a new scent
So innocent and bent.
I sense a new scent that's innocent and spent.
I feel good. Not so good.
Very Sleepy Rivers
A very sleepy place
Very Sleepy Rivers
A very sleepy place
Milk silver and sulk
Fish in warm clear liquid
I feel so wet.
I feel kinda misguided.
Very Sleepy River
A very sleepy place
Very Sleepy River
A very sleepy place (kinda thing)
Very sleepy river
Very sleepy river
(it's just a thing)
Very sleepy river
(just a thing)
A very sleepy thing..thing..thing
A very sleepy place
Very sleepy
