Boost Me Up

MercyMe

I've been running in circles now
I cannot stand up straight
I squint so hard to see that now
I can't see hand in face

I have made my bed
I guess it's nap time for me
I have scratched the surface, now
I'm in a hole too deep

I'm tired of being over my head
I don't want to sleep just yet
Yeah, yeah

Boost me up so I can see
Hold my hand
So I can walk without stumbling
Me with You with me

Trying to stand my ground, I have
I have waved at You
Now my wave turns to reaching
And I'm reaching for You

I own no ground for me to stand
On my own
On my own, a helpless man

Boost me up so I can see
Hold my hand, yeah
So I can walk without stumbling
Me with You with me
Boost me up so I can see
Hold my hand, yeah
So I can walk without stumbling
Me with You with me

In You I can stand, in You I can see
In You I am complete
In You I can walk, in You I can run
In You I am free

Boost me up so I can see
Hold my hand
So I can walk without stumbling
Me with You with me
Boost me up so I can see
Hold my hand, yeah
So I can walk without stumbling
Me with You with me

Boost me up so I can see You
Hold my hand
So I can walk without me stumbling
It's me with You, it's You with me, yeah
It's me with You with me
