MercyMe

I look around inside these four walls
And I can see this is not my home
Can you hear it now?
From inside these stone walls
My heart cries out
"I'm not where I belong"

No matter what they do
My heart belongs to You

I am free
The hands that hold the world have set me free
He has broken every chain
So I lift my hands up to the One who saves

Take me captive
You can lock me away
But my debt is already paid
Take me prisoner
But I will no fear
'Cause my Deliverer is already here

Ohhhh...

This world can have its way
Nothing can stop Your glory
What may become of me
I'll overcome because I'm free
