

Hands Up

MercyMe

Here I am
For the hundredth time
Going crazy
I'm just trying to find
Words that might explain
Jesus
And what He's done for me

Every time
It feels like I'm holding
Every drop of
The entire ocean
In a paper cup
Nice try but
It's never enough

If what I'm saying's resonating
Then I think you know
Go on and throw those

Hands up
If it feels like
No words could ever describe
What it is that's running through ya
Hands up and say hallelujah
Hands up
If you're wondering
How you could ever explain
What amazing grace did to ya
Hands up and say hallelujah

Then again
The supernatural
For the moment
Is unexplainable
So we might believe
It's called faith
And it will set you free
If you hear me loud and clearly
Then I think you know
Go on and throw those

Hands up
If it feels like
No words could ever describe
What it is that's running through ya
Hands up and say hallelujah
Hands up
If you're wondering
How you could ever explain
What amazing grace did to ya
Hands up and say hallelujah

Hallelu hallelu hallelujah
Hallelu hallelu hallelujah
Oh oh
Hallelu hallelu hallelujah

Hallelu hallelu hallelujah
Oh oh

Don't get me wrong I will always be grateful
But every time that I try I'm unable
To capture who He is
To capture who He is
No need to fuss 'cause it's just temporary
It won't be long 'til we're all seein' clearly
And finally understand
And finally understand

Hands up
If it feels like
No words could ever describe
What it is that's running through ya
Hands up and say hallelujah
Hands up
If you're wondering
How you could ever explain
What amazing grace did to ya
Hands up and say hallelujah

Hallelu hallelu hallelujah
Hallelu hallelu hallelujah
Oh oh
Hallelu hallelu hallelujah
Hallelu hallelu hallelujah
Oh oh
