

# Sing

MercyMe

My heart's beating out my chest  
I have lost the words to say  
Trying to stay calm at best  
'Cause You have looked my way  
Give me peace, Lord Jesus  
I need to sleep tonight  
Like a newborn waiting to hear a lullaby  
I am here anticipating Your voice tonight

Oh, won't you sing, sing over me?  
And Lord, won't You sing, sing over me?  
Let Your grace fall upon me  
Like the sweetest of symphony  
Oh, please sing over me

Give me peace, Lord Jesus  
I need to sleep tonight  
Like a newborn waiting to hear a lullaby  
I am here anticipating Your voice tonight

Oh, won't you sing, sing over me?  
And Lord, won't You sing, sing over me?  
Let Your grace fall upon me  
Like the sweetest of symphony  
Won't You sing over me?  
Ooh, yeah, yeah, yeah, yeah
