

The Need

MercyMe

I need to reconnect my
I need to redirect my
I need to resurrect my life
And I need to find a reason
I need to find some peace and
I need someone to strengthen me

You ought to see
What I have in store for you
Yeah, if only you could see
You would come running to me

And I long to know the heart of
I long to see the start of
I long to be a part of something new
Can anybody save me?
Can anybody raise me?
Can anybody make me whole?

You ought to see
What I have in store for you
Yeah, if only you could see
You would come running to me
You ought to see
What I have in store for you
Yeah, if only you could see
You would come running to me

I know the plans I have for you
To prosper, not to harm you
To give a hope and a future to you
And you will call upon me
And come and pray to me
And I will listen to you

You ought to see
What I have in store for you
Yeah, if only you could see
You would come running to me
You ought to see
What I have in store for you
And if only you could see
You would come running to me
To me, to me, to me

I know the plans I have for you
And I know the plans I have for you
I know the plans I have for you
