

## Another Kin

Mereba

[Verse]

Raindrops drip down my mind's walls  
Oh now, it's leakin'  
Into my thinkin' (Mm-hmm, mm-hmm), yeah  
Hot/all day, tired, then 2AM (Ah-ah, ah-ah)  
Wired, it's futile  
I don't have much to say (Ah, ah, ah-ah-ah)

[Chorus]

Another kin killed today (Another kin killed today, oh-oh, oh-oh)  
Another stone thrown today (Woah-oh, oh-oh, oh)  
Ooh, ooh why?  
Another kin killed today (Another kin killed today, another kin killed today)  
Why? (Another kin killed today)  
Another kin killed today (All I'm seein', all I'm seein', uh)

[Outro]

You have now...
