

## Overseas

Mereba

Hello

Hey? Hello?

Overseas, lover sleeps  
I'm awake, he's in a dream  
Can't recall last we spoke  
Cut off calls, letters we never wrote

They say you don't believe  
Anything you cannot see  
But they never seem to get things right

So if I never loved you  
My heart would beat in the same old town  
If I never loved you  
My soul would stay on the same old ground  
If I never loved you  
I'd never even dream (of)

Overseas, under trees  
I don't know what it's like to be  
Free as the wildest breeze  
I know love has got every part of me

There overseas  
Overseas

If I never loved you  
My heart would beat in the same old town  
If I never loved you  
My soul would stay on the same old ground  
If I never loved you  
I'd never even dream (of)

Overseas, under trees  
Up above from where I ought to be, baby  
Overseas, with my king  
Above the clouds from where I ought to be free  
Overseas, why can't we  
Fly up above from where I ought to be  
Overseas, why can't we...
