

# September

Mereba

Thought We  
Were A Lie  
That Was Fine  
In The Dark  
But You  
Are A Storm  
To My Flame  
To My Spark

Used To Turn Me On  
So On  
Cause Your Love Was A Drug  
It Was Stuck In My Veins  
Now You Turn Me Off  
So Off  
Cause I'm Sober  
And Over The High

On My Life I'll Be Gone By September  
And You're Gonna Remember  
You Must've Forgot Imma Queen  
You'll Be Gone By December  
On My Momma I'll Be Gone By September  
And You're Gonna Remember  
The Loyal  
The Royal  
Queen  
The Loyal  
The Royal  
Queen  
The Loyal

I Was As True  
As A Forest Is Green  
You  
Are A Fool  
For What You  
Did Not See

Used To Turn Me On  
So On  
Cause Your Love Was A Drug  
It Was Stuck In My Veins  
Now You Turn Me Off  
So Off  
Cause I'm Sober  
And Over The High

On My Life I'll Be Gone By September  
And You're Gonna Remember  
You Must've Forgot Imma Queen  
You'll Be Gone By December  
On My Momma I'll Be Gone By September  
And You're Gonna Remember  
The Loyal  
The Royal  
Queen

Yeah, Yeah, Yeah, Yeah, Yeah  
You Could've Had It All  
All  
All  
All  
All  
Yeah, Yeah, Yeah, Yeah, Yeah  
You Could've Had It All  
All  
All  
All  
All  
All  
Oh Yeah, Yeah, Yeah  
Why?  
Why?  
Why?
