

Let Everything

Meredith Andrews

We enter Your presence
Through the gates of praise
We're ready for Heaven
To fall on Your children
In a mighty way
We're bringing our worship
As an offering
Holy and pleasing
Hear Your people singing
Out to You

Great is the Lord
Worthy of praise
The Lion of Judah
The Ancient of Days
Let everything that has breath
Praise the Lord
The One who remains
Faithful and True
The Lamb who was slain
To make all things new
Let everything that has breath
Praise the Lord

So let our intentions
Be pure in Your sight
Our hearts undivided
A Church and a Bride
That is wholly Yours

Great is the Lord
Worthy of praise
The Lion of Judah
The Ancient of Days
Let everything that has breath
Praise the Lord
The One who remains
Faithful and True
The Lamb who was slain
To make all things new
Let everything that has breath
Praise the Lord

To the God who is worthy
Be honor and glory
No one's more deserving
Of all praise
To the King who's returning
Be honor and glory
No one's more deserving
Of all praise

To the God who is worthy
Be honor and glory
No one's more deserving
Of all praise
To the King who's returning

Be honor and glory
No one's more deserving
Of all praise

Great is the Lord
Worthy of praise
The Lion of Judah
The Ancient of Days
Let everything that has breath
Praise the Lord
The One who remains
Faithful and True
The Lamb who was slain
To make all things new
Let everything that has breath
Praise the Lord
Let everything that has breath
Praise the Lord
