

No Weapon

Meredith Andrews

You are a shield around me
You are the one who lifts my head
I'm always safe in your covering
I will remember what you said

Your word above it all
Your voice above it all
Your ways above it all

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

You will restore what's stolen
You will see that the harvest comes
There's not a day You're not faithful
You speak the promise then it's done

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

I plead the blood
I plead the blood
I plead the blood of Jesus
I speak the blood
I speak the blood
I speak the blood of Jesus

I plead the blood
I plead the blood
I plead the blood of Jesus
I speak the blood
I speak the blood
I speak the blood of Jesus

Your word above it all
Your voice above it all
Your ways above it all
Your will above it all
Your truth above it all
Your heart above it all

No weapon formed

No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher

No weapon formed
No spear or sword
No evil word will prosper
For I am yours
I stand secure
I know Your word is higher
