

Dance, Shake, Wiggle!

Meredith Brooks

Everywhere that I can
I turn on the music and I'm clapping my hands
Soon as I hear the beat
I can't stop my body and I'm moving my feet

I throw my hands in the air
Shake it up, shake it down, shake them everywhere
Turn it up all the way
Nothing's more fun any time of the day

Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance

Everyone can dance in this world
It doesn't matter if you're a boy or a girl
Just get up and move
Cause when you hear the beat that's all you wanna do

Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance, dance

Shake, wiggle, yeah, turn around and dance
Shake, wiggle, yeah, turn around and
Give me a beat, give me a beat
Give me a beat, give me a beat
Give me a beat, give me a beat
Give me a beat, give me a beat

Ah, give me a beat anytime
Cause when I hear that music I'm feeling so fine
I never wanted to end
Nothing's better when I'm dancing with my friends

Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance (Come on, let's dance)
Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance

Shake, shake, shake, yeah, turn around and dance
Shake, wiggle, yeah, turn around and

(Give me a beat, give me a beat)

Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance
Ah, dance, ah, dance, dance, dance, dance

Shake, wiggle, yeah, turn around and dance
