Merkules

Didn't really think I'd have to do this
I'm in quarantine mode putting passion in the music
Feeling like the captain of the cruise ship
DiCaprio, it feels like Titanic when ya crew sink
They're panicking cause they don't seem to have any solutions
Abusive and gruesome like jackin off to youjizz
They try to reach out I keep answering like who dis?
They asking for the blueprint I slap em with a poolstick (hah)
Y'all ain't even on my level tho, been top five ever since I dropped
my testicals
Feelin like I popped five edibles got more heavy metal then a rock ba
nd festival
You rap but your bars are just not that technical, maybe just quit an
d start a podcast let it go
Take a hit of this and you'll be gone like Fentanyl, the wrong kinda
chemicals, ya loss was inevitable, ahh
Get in line with ya Costco card, better buy Viagra ya not so hard
Ya phone lost service you got no bars, musta ran out of gas you will
not go far
I'm the joker they ask how I got those scars, I'm Picasso they all wa
nna stop my art
You a rat it's a fact I don't call no narcs, I bet when it comes to b
eef you don't want no part mawfucka
They sweating like an episode of hot ones, go against me then you bet
ter get a shot gun
It's evident you're never gettin better I'm on top son, everybody shu
t up and just let me get the job done
You are not Pac not Big you are not Pun, you are not hot not sick you
are not none
I'm ready for the war keep score if they got guns, I'm an alcoholic I
'm stoked when the shots come
Swear to god they want a problem I'm a god in this bitch, I'm Snoop D
ogg I'm not a pimp but I still walk with a limp
Parents hate me cause my music tends to talk to they kids, I think th
ey mad cause I taught em all what confidence is
Yall don't really want no issue with me, Ima do you like Slim did Chr
istopher Reeves
I was taught be a boss you won't get shit for free, so what makes you
think these kids in my league? (I swear)
Let's be copasetic I'm so dope forget it there's no smoke so dead it
You so broke need credit, I'm dolo my head is loco the medic said I n
eed to calm down cause I'm so demented

Ima monster, mawfucka Ima monster, I thought I told you I'm a monster
, mawfucka I'm a monsterrrrrr, agh

No cappin Ima let em see, I'm back in the vacinity no matching all my
energy I'm slappin all my enemies
An animal I been a beast and half of y'all are sick of me I'm jackin
off in Mickey DS and laughing at the industry
Fuck y'all I'm feeling like I might go ape shit, I like it I want it
I take it, ahhh

You went and got ya whole dam style on Craigslist, I'm anxiously waiting to break shit, ahh
The best I been so defiant, and I flex like I'm Cobra Kai so don't step and just hold ya silence
Im Gretzky, im cold as ice you get stretched out like old vaginas, im letting em know im wiling
Big belly yea Coles a giant, I bet I'm the dopest rhyming, I'm setting the tone I'm flyin
Up next so just don't deny it, every record I wrote is viral it spread like Coronavirus
That's Covid 19 no one dope as I be, I been goin flight speed while you go on IG
12 years in the game if you know what I mean, man these the kinda bars where you don't need ID
They mimicking what I'm doin I really been an influence they're listening to my music and thinking that they can do it
It's finicky no improvement I literally been the dude since little me skipping school and sipping on gin and juices
Ain't no gettin in my way I'm the illest in the game if they think they'll get away with a little bit of shade
Then I'll hit em with a stray till the tissue in they face end up splitting different ways and they never look the same

Ima monster, mawfucka Ima monster, I thought I told you I'm a monster, mawfucka I'm a monsterrrrrr, agh
