

I Dreamed You Didn't Love Me

Merle Haggard

I woke up this morning, cried till my eyes were sore
I dreamed you didn't love me anymore
It was like my world had ended, I got up and walked the floor
I dreamed you didn't love me anymore

In the dream you didn't want me you wanted someone new
There was anger like I've never seen in you
You did your best to hurt me then you walked right out the door
I dreamed you didn't love me anymore

In the dream you didn't want me you wanted someone new
There was anger like I've never seen in you
You did your best to hurt me then you walked right out the door
I dreamed you didn't love me anymore

I hate to go to bed at night, I'm afraid to close the door
I dreamed you didn't love me anymore
