

# I Think I'll Just Stay Here and Drink

Merle Haggard

Could be holding you tonight  
Could quit doing wrong, start doin' right  
You don't care about what I think  
I think I'll just stay here and drink

Hey, puttin' you down, don't square no deal  
Least you know the way I feel  
Take all the money in the bank  
I think I'll just stay here and drink

Listen close and you can hear  
That loud jukebox playin' in my ear  
Ain't no woman gonna change the way I think  
I think I'll just stay here and drink

Hurtin' me now, don't mean a thing  
Since lovin' you, don't feel no pain  
My mind ain't nothin' but a total blank  
I think I'll just stay here and drink, yeah
